INVITED PRESENTATIONS, ORGANIZATION SYMPOSIA ETC. (since 1990)

Chair Spring Conference 'Bootstrap, Jackknife and Cross-validation' Dutch Statistical Society, Social Sciences Section; 16 May 1990; Utrecht.

Invited presentation 'Loglinear Analysis of Panel Data', Nethur (Netherlands Graduate School of Housing and Urban Research), 21 November 1990, Utrecht University.

Chair Organization Committee Symposium 'Higher Education in European Perspective'; symposium in honor of Prof.Dr. R.A. de Moor; Tilburg, 20 June 1991.

Invited keynote lecture 'Exemplifying longitudinal log-linear analysis with latent variables', Sixth International Workshop on Statistical Modeling, Utrecht, July 15-19, 1991

Invited presentation 'Analyzing Categorical Longitudinal Data Using Marginal Homogeneity Models', International Workshop On Multidimensional Data Analysis, Anacapri, Italy, October 2-5, 1991.

Invited presentation (Y. Poortinga, E. Bijnen and J. Hageaars) 'Cross-cultural Research: Measurement, Models, and Bias', Symposium on Viability of Mathematical Models, Tilburg, 17-18 October 1991.

Invited presentation 'Latent Class Analysis', Autumn Conference of the VOC (Association for Ordination and Classification), Rotterdam, 23 October 1991.

Chair 'Session on Longitudinal and Panel Analysis' and Invited Comment on 'A. Mooyaart and P. van der Heijden Log-trilinear models for three-way contingency tables'; SMABS-92 Conference, Society for Multivariate Analysis in the Behavioral Sciences, 20-24 April, 1992 Nijmegen

Invited contribution 'Latent Variables in Log-linear Models of Repeated Observations', Conference on Latent Variables in Developmental Research, May 4-6, 1992, Penn State University.

Chair General Morning Session on Latent Class Analysis, International Conference Social Science Methodology, Trento, June 22-26, 1992, International Sociological Association.

Invited Keynote Speaker 'Log-linear Modeling with Latent Variables', Conference on Methodology and Statistics, Center of Methodology and Informatics, Institute of Social Sciences, University of Ljubljana and the Statistical Society of Slovenia, Bled, September 24-26, 1992.

Invited Presentation 'Latent Class analysis and Loglinear Modeling with Latent Variables', Züricher Kolloquium über anwendungsorientierte Statistik, Seminar für Statistik, ETH: Eidgenössische Technische Hochschule Zürich, Zürich, 14 January 1993.

Organization of the International Expert Symposium on Latent Structure Models for the Analysis of Social Change; presentation 'Loglinear Models with Categorical Latent Variables', Tilburg, 8-10 September 1993.

Invited lecture 'Loglinear Modeling' Faculty of Sociology, University of Bielefeld, November 1994

Invited Lecture 'Political Dynamics: Log Linear Models of Party Identification and Partisan Attitudes', Department of Sociology and Criminal Justice, University of Delaware, April 6 1994

Invited Presentation 'Analyzing Categorical Longitudinal Data using Latent Variable Models', Eastern Statistical Society, University of Delaware, April 14 1994.

Invited Presentation 'Analyzing Longitudinal Data with Latent Class Models', Department of Sociology/Population Research Institute, Pennsylvania State University, March 29 1994

Invited Presentation 'Loglinear Models with Latent Variables', Department of Sociology, Indiana University, Bloomington, Ind., 12 April 1994

Organization and Chair Session 'Statistical Computer Applications', Second International Conference on Social Science Information Technology, SSIT 94, Amsterdam, 7-9 December, 1994

Organization and Chair 'International Expert Meeting on Approaches to the Analysis of Longitudinal Categorical Data' April 10-11, 1996, Tilburg

Invited presentation 'Categorical Causal Modeling: Directed Loglinear Models with latent Variables', Social Science & Statistics; A conference in honor of the late Clifford C. Clogg, September 26-28, 1996, The Pennsylvania State University, University Park.

Invited Presentation 'Categorical Causal Modeling', Department of Sociology, University of Nebraska, October 2, 1996

Invited Presentation 'Categorical Causal Modeling with Latent Variables', Gallup Organization, October 4, 1996, Lincoln, Nebraska

Organization (with Dr. H. Oud) Symposium 'Causality in the Social Sciences' and Presentation 'Causal Analysis in the Social and Behavioral Sciences; Introduction' Economic Section/Social Science Section of the Dutch Statistical Association, Utrecht, 4 December 1996.

Organization and Chair Session 'Recent Developments in Quantitative Modeling' conference Dutch Sociological Association, 29 May 1997

Invited lecture 'Loglinear Models for Ordinal Data', Fifth Annual Lecture in Statistics on Ordinal Data Analysis: Theory and Practical Applications, Catholic University Brussels, 2-6 June 1997.

Organization and Chair 'International Expert Meeting on Complex Models for Categorical Data' June 5, 1997, Tilburg.

Invited presentation 'Latent Class and Directed Loglinear Models', 51th session of the International Statistical Institute, Invited Papers Meeting, Istanbul, 18-26 August 1997.

Invited presentation Symposium Don't Miss it: Statistical analyses Acknowledging the *presence* of *Missing* Data, September 29, 1997, University of Ghent

Member Scientific Committee 'SMABS '98', 21st Biennial Conference of the Society for Multivariate Analysis in the Behavioural Sciences, 13-15 July, 1998, Leuven

Organization and Chair (with H. Van der Zouwen, A. Snijders, T. Kantebeen) Sessions 07 and 09 of Research Committee 33 'Causality and Social Research I and II', 14th World Congress of Sociology, July 26th-August 1st, 1998, Montreal.

Invited Keynote Presentation 'Latent Class Analysis and Loglinear Models with Latent Variables'. Dutch Methodological Association NOSMO, 13 November 1998, Tilburg.

Invited presentation 'Using Loglinear Models with Latent Variables for Correcting Response Errors in Comparative Research'. Large Scale Data Analysis (GESIS/ZA/ISSP), Cologne, 25-28 May 1999.

Invited Guest ZA-Eurolab, Program Large Scale Facility (LSF) in Comparative Social Research supported by the Training and Mobility of Researchers (TMR) Programme of the EU, Cologne, 25-28 May 1999.

Organization and Lecturing 'The Sixth Annual Lectures in Social Statistics: Advancements in Latent Class Analysis; a practical orientation' (with Marcel Croon and Jeroen Vermunt), Faculty of Political and Social Sciences, Catholic University Brussels, June 8-11, 1999

Invited keynote lecture 'Causal Models for Categorical Data', International Conference on Methodology and Statistics, University of Ljubljana/Statistical Society of Slovenia, Preddvor, September 20-22, 1999

Invited participant panel discussion on Present and Future needs for Comparative Social Research, ZA-Eurolab, Cologne, 30 October 1999

Invited participant World Values Survey Workshop, Sophia Antipolis, November 18-21 1999

Member Scientific Committee 'SMABS 2000', Biennial Conference of the Society for

Multivariate Analysis in the Behavioural Sciences, 17-19 July, 2000, LSE, London

Invited Participant Symposium Research Methodology; Invited Comments on Judea Pearl/Jan Koster 'Graphs, Causality and Structural Equation Models', Royal Netherlands Academy of Sciences, Amsterdam, January 12-14, 2000

Invited Presentation "On the Use of Latent Class Scores in Causal Models with Categorical Latent Variables" 16th Workshop on Item Response Theory, Department of Educational Measurement and Data Analysis, University of Twente, September 26-28, 2000.

Organization (with Truus Kantebeen, Tom Snijders and Hans van der Zouwen) of four sessions on Trends in Methodology: I. Statistics and Measurement: Lessons from the Past 30 Years (David Cox, Norman Bradburn, Ivo Molenaar); II (chair) Substance and Methods: Lessons from the Past 30 Years (Rolf Ziegler, Karl Jöreskog, Leo Goodman) III. Structured Data: Design and Analysis (Jeroen Vermunt, Steven Thompson, Tom Snijders, Jeroen Weesie, Steve Raudenbush); IV (chair, with Tom Snijders) Round Table: Social Research Methodology; State of the Art, Achievements, New Challenges (participants from sessions I and II). Fifth International Conference on Logic and Methodology 'Social Science Methodology in the New Millennium' October 3-6, 2000 Cologne

Organization (with Jeroen Vermunt and Marcel Croon) of Session Loglinear Analysis and Latent Class Analysis. Fifth International Conference on Logic and Methodology 'Social Science Methodology in the New Millennium'. October 3-6, 2000 Cologne.

Invited presentation 'Latent Class Analysis: an Overview', Autumn Conference Social Science Section of the Dutch Statistical Society, 15 November 2000, Utrecht

(Co)Organization of 'ZA Data Confrontation Seminar on the European Value Survey 1999'; presentations 'Loglinear Models' and 'Latent Class Models in Comparative Research', December 13-17, 2000; Central Archive, Cologne.

Invited discussant on Session "The application of latent variable models to problems in psychiatric epidemiology and human development" Scientific Meeting of the World Psychiatric

Association, Section on Epidemiology & Public Health, 3-5 June 2001, Baltimore, Maryland

Invited Lectures in Workshop on Biostatistical Methods for Longitudinal Observations on Youthful Drug Involvement; Post-Meeting Technical Workshop 5-6 June 2001, of the Scientific Meeting of the World Psychiatric Association, Section on Epidemiology & Public Health, Baltimore, Maryland.

Invited Lectures 'Method Triangulation; exploratory models in comparative electoral research' (with Anne-Marie Aish), the TMR Winter School, an activity of the TMR Network 'Political Representation in Europe', supported by the Training and Mobility (TMR) Programme of the EU, January 12, 2002, University of Louvain, Louvaine-la-Neuve.

(Co)Organization of the Data Confrontation Seminar on the European Value Survey'; presentation 'Comparative measurement and analysis: Loglinear and latent Class Models; an example', April 8-9, 2002; Catholic University of Leuven, Leuven.

Invited Presentation 'The Life of Latent Class Analysis after Rolf Langeheine'. Workshop Latent Class Analysis; state of the art and perspectives for the future. Leibniz Institute for Science Education, IPN, Kiel, 10-12 October 2002

Invited participation in the expert seminar Culture and Democracy: A Global Perspective. Tilburg University, 20 November 2002

Gastvortrag 'Research Methodology: Slave or Master?' Eröffnungsfeier des Methodenzentrums Sozialwissenschaften der Georg-August-Universität Göttingen. Göttingen November 27, 2002

(Co)Organization of the 3rd EVS Data Confrontation Seminar'; presentations 'Missing Values: Theory and Examples from EVS' and 'Statistical Problems in Cohort analyses', April 23-26, 2003; ZA of the University of Cologne, Cologne.

Invited presentation Third International Workshop on Comparative Survey Design and Implementation (CSDI) 'Use of Measurement Models Across Many Countries using EVS/WVS Data; Clustering Countries' (with R. Luijkx). Madrid, 10-12 March, 2005

Invited Lecture at the Young Researchers Workshop 'Misclassification in Panel Data Models'.
CEPS/INSTEAD. Differdange, 4-6 October 2006

Chair Symposium Multi-actor Data in Survey Research, DANS/Tilburg. January 17, 2007

Invited Celebration Lecture First Lustrum of the Statistics Program University of Ljubljana
'Extended Latent Class Analysis' January 23, 2007

TEACHING

Rewards: best lecturer Organizational Sciences May 1998

Best lecturer Methodology May 1998

I have taught all undergraduate and graduate basic methodology and statistics courses, e.g., descriptive and inferential statistics courses, methods and techniques of social research, causal analysis, measurement, research design.

More specialized (graduate) courses, e.g. Comparative Case Studies, Loglinear Models, Latent Class Analysis, Categorical Data, Longitudinal Studies.

Supervision of many master theses

Specialized Post Graduate and Post Doctorate Courses (apart from regular curriculum activities):

Vorlesungen 'Analyse von Längsschnittdaten mit Hilfe latenter Variablen', 4-8 Maart, Frühjarsseminar 'Multivariate Analyse kategorialer Daten' des Zentralarchivs für empirische Sozialforschung, Universität zu Köln, 18 februari tot 8 maart 1991.

'Panel-, Trend- and Cohortonderzoek; Tijdreeksenanalyse', Lecture series 'Methoden and Technieken Boio-opleiding' IVA/FSW (University of Tilburg) - ITS/FSW (Nijmegen University) '91/'92, Tilburg, 25-10-1991.

Lecture 'Tijd in Sociaal-Wetenschappelijk Onderzoek; Onderzoeks-ontwerpen voor de Bestudering van Sociale Veranderingen', Rotterdam, 2 april 1992, AIO-seminar 'De Tijd in Wetenschappelijk Onderzoek', RISBO, Erasmus Universiteit, januari-april 1992.

Lecturer TARKI Summer School, 'Log-linear Modeling', TARKI, University of Economics, Budapest, 6 - 10 juli 1992.

Lecturer TARKI Summer School, 'Log-linear Modeling', TARKI, University of Economics, Budapest, 5 - 9 juli 1993.

Guest Lecturer PAO 'Kwantitatieve and categorische longitudinale data-analyse', Utrecht, 11 and 19 mei 1995

Guest Lecturer PAO 'Kwantitatieve and categorische longitudinale data-analyse', Utrecht, 11 and 19 mei 1995

IOPS-Aio-course Onderzoeksopzet (Quasi-)Experimenteel and Correlatieel Onderzoek (with M. Croon), April/Mei 1996, 4 dagen IOPS

Graduate Course 'Dynamic Modeling' Business School, Economics Faculty, University of Copenhagen, May 30 - June 2, 1997

Graduate Course Models for Survey Data, Applied Statistics Week on Survey Design and Modelling, Departament d'Economia i Empresa, Universitat Pompeu Fabre, Barcelona, June 25-30, 1997

Invited (Post)Graduate course 'Categorical Panel Analysis', Universita Degli Studi Di Padova, Dipartimento Di Scienze Statistiche; 24-25 november 1997

Invited Lectures 'Latent Variable Models' Central European University, Budapest, 8-12 December 1997

IOPS-cursus 'Geavanceerde Regressie-analyse' (with K. Sijtsma), 7,8,14,15 December 1998, KUB, Tilburg

Guest professorship Katholieke Universiteit Brussel, course Loglineaire Analyse (1995, 1996, 1997, 1998, 1999)

Organisation/Principal Teacher (with A. McCutcheon) International IOPS-Seminar 'Latent Class Analysis', 13-16 juni 1994, KUB, Tilburg.

Lecturer TARKI Summer School, 'Log-linear Modeling', TARKI, University of Economics, Budapest, 4 - 15 juli 1994.

Lecturer 1999 Swiss Summer School on Advanced Methods in the Social Sciences, course 'Categorical Longitudinal Panel Analysis', Université de Neuchâtel, August 20 - September 3, 1999.

Spring Seminar Causal Analysis with Latent Variables, March 13-31, 2000: Lectures on Categorical Latent Variable Models, March 27-31, 2000, ZA-Central Archive for Empirical Research, Cologne; visitor ZA-Eurolab

IOPS-course 'Geavanceerde Regressie-analyse' (met K. Sijtsma), 17,18,20,21 december 2001, KUB, Tilburg

Lecturer IMPALLA-International Masters in Social Policy Analysis, Katholieke Universiteit Leuven, Ceps/Instead, Differdange, Luxemburg, September/October 2002-2007 (continued)

IOPS-course 'Research Designs' 3,4 March 2004, Tilburg

Invited Lecturer (with Allan McCutcheon and John Gelissen) Workshop/Seminar 'Theory and Practice in the Analysis of Cross-National Cross-Sectional Data', Programme QMSS-Quantitative Methods in the Social Sciences, European Science Foundation. Vienna, 2-10 September 2004

Key note presentation Wetenschap: weet wat je doet. Symposium Seniorenacademie Brabant 'Dwalen in de Wetenschap: weet wat je weet' 31 maart 2005 (derde lustrum HOVO Brabant)

Lecturer Statistics Program University of Ljubljana 'Longitudinal Research' 2005-2007 (continued)

Spring Seminar Advanced Categorical Data Analysis, February 26 - March 16, 2007. Third Week 'Causal modeling with and without latent variables', March 12-16, 2007, ZA-Central Archive for Empirical Research, Cologne
